MEMORANDUM TO: [REDACTED]

Chief, International Division,
Office of Research and Reports

SUBJECT : ORR Contribution to Policy Planning Study
on France

1. The comprehensive paper on the French Economy and the de Gaulle regime prepared by ORR's International Division for the Interagency Working Group on France was very well received by all members of the Group.

2. In my opinion and in those of the other members of the Group, it was both a judicious and valuable contribution to our efforts. It will become an integral part of a large review of France and US relations with France.

3. I should like to record especially my appreciation to [REDACTED] for the clarity of his presentation and the despatch with which he prepared this paper.
